- Get SPF protection along with a dewy glow
- Apply lightly to eyes, cheeks, or lips for a sheer hint of color or layer for more of a pop of color
- Vegan formula

Color Cosmetics

Anhydrous

Traditional Ingredients

Formula

Sunflower Wax

Natural wax extracted from sunflower seeds. Very high melting point and excellent structuring capabilities, increases stick structure and stability. Structurant. Usage level 1-15%.

Rice Bran Wax #224

Natural wax extracted from rice bran oil. Very high melting point and structuring capabilities, increases stick structure and stability. Structurant. Usage level 1-20%.

Kester K-45

Light, non-greasy emollient derived from jojoba. Improves softness, spreadability, and after feel in leave-on formulas. Conditions skin and hair without buildup; adds glide, silkiness, and stability.
